<sup>7</sup> Beloved, I am writing you no new commandment, but an old commandment that you had from the beginning. The old commandment is the word that you have heard. <sup>8</sup> At the same time, it is a new commandment that I am writing to you, which is true in him and in you, because the darkness is passing away and the true light is already shining.

<sup>9</sup> Whoever says he is in the light and hates his brother is still in darkness. <sup>10</sup> Whoever loves his brother abides in the light, and in him there is no cause for stumbling. <sup>11</sup> But whoever hates his brother is in the darkness and walks in the darkness, and does not know where he is going, because the darkness has blinded his eyes.
